Greetings,

We are KAGUM ADVANCE GROUP SDN BHD, a leading company in the field of specialized training provider, digital marketing, and information technology consultant, empowering clients with a diverse range of skills essential for success in Johor Bahru, Johor. We are writing to invite you and your students to explore the internship opportunities we offer.

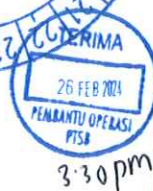

We are looking for talented and motivated interns to join our teams. Our interns will have the opportunity to work on various projects such as market research, content creation, content design, social media management, web design, SEO, SEM, email marketing, and analytics. They will also learn from experienced mentors and gain valuable insights into the industry.

Our internship program is designed to provide students with hands-on experience and practical skills that will prepare them for their future careers. We offer flexible working hours, a monthly allowance, and a certificate of completion.

We believe that your students would be a great fit for our company and benefit from our internship program. We would appreciate it if you could share this information with your students and encourage them to apply. To apply, they should send their resume, portfolio, job scope, industrial training placement form and a cover letter to info@kagum.co. They should indicate in their email which position they are applying for (marketing or multimedia).

If you have any questions or need more information, please feel free to contact us at +60 11-3969 9786 or info@kagum.co. We look forward to hearing from you and your students soon.

Sincerely,
SITI AISHAH BINTI HARIS
